Wave Of Radical Speculation Is Warning Topic

Sellers of Spurious Securities Working U. S., Declare Bankers.

St. Louis, Mo., Oct. 19.—A warning against radical speculation was sounded at the convention of the Investment Bankers' association of America, which opened here today. Thousands of "salesmen" are circulating the country, dispensing spurious stocks and bonds, the bankers asserted, and a wave of speculation, usually noted after a war, is spreading over the country.

William A. Baker, of Baltimore, president of the association, compared the situation with the speculation craze which followed the Franco-Prussian war, and in which many residents of Germany were made paupers.

Problems of reconstruction, the railroads and various forms of securities are among topics to be discussed at the convention.

The women and men of Leland drew exactly alike in interest, with the exception of the women, who were more interested in the stock market.

Y. M. C. A. to Act On Hostess Plan At Convention

El Paso Man on the Commission Which Is Studying Question.

Whether young women will have a part in the work of the Y. M. C. A. as hostesses to greet the men in various association headquarters, and to act as information dispersers, is a question which is to be considered by the association, following the 10th international convention of the Y. M. C. A. to be held in Detroit November 19 to 23. A special committee is studying the problem and preparing to present it at the convention. Thus far sentiment seems to favor the adoption of the new plan.

James O. McNary of El Paso is one member of the commission, which was for its members men prominent in the business activities of the country.

Permanent World Body Of Business Men May Result From Meeting

Atlantic City, N. J., Oct. 19.—Establishment of a permanent international organization of business men for the purpose of eliminating unfair international practices and working out a better system of international credit and acting as a clearing house for ideas with regard to manufacturers and commerce, is expected to result from the international trade conference, which is to be held here this week. Formal sessions begin Wednesday night.

This new organization probably will supplant the international congress of chambers of commerce and commercial and industrial associations which for 14 years have been a common clearing house for the business ideas of the world. Its functions have, however, been suspended since June, 1918.

The Belgian members worshipped Sunday at the Indian church which has been used for three weeks on what is now the Pueblo Indian reservation at Isleta, 18 miles from Albuquerque. Watch the Little Pimples; They are Nature's Warning

Unightly and Disfiguring Signals of Bad Blood.

Don't close your eyes to the warning which nature gives, when unsightly pimples appear on your face and other parts of the body. Not only are these pimples and blotches disfiguring, but they lead to serious skin diseases that spread and cause the most discomforting irritation and pain. Sometimes they turn into eczema, hives, stives, and eruptions and other annoyances that burn like flames of fire, and make you feel that your skin is ablaze.

When these symptoms appear on any part of the body, take prompt steps to rid the blood of these disuniform. They think we belong to Curran's army.
